

## Distributor Block FR-4-1/2-B - Festo 6704

Item no. FES-6704

Manufacturer Festo

EAN 4052568065102

Genuine Festo accessory for exact mounting, fastening and extension of the associated component.

### TECHNICAL DATA

Corrosion resistance class CRC **0 - No corrosion stressing**

HS-Code **76090000**

Material **Aluminium**

Medium **Compressed air**

Mounting position **arbitrary**

Nennweite DN [mm] **18,6**

Pneumatic connection **G1/2**

Series **FR**

Temperature (max.) **80**

Weight **0.14 kg**

### STANDARDS & COMPLIANCE

ISO 8573-1:2010

### DESCRIPTION

Genuine Festo accessory for exact mounting, fastening and extension of the associated component. The key technical data of this genuine Festo article are listed below.

|                                                     |                                                           |
|-----------------------------------------------------|-----------------------------------------------------------|
| Nominal width [mm]                                  | 18,6                                                      |
| installation position                               | arbitrary                                                 |
| Operating pressure complete temperature range [bar] | 0 to 16                                                   |
| Operating medium                                    | Compressed air to ISO 8573-1:2010 [7:-:-]                 |
| Information about operating and control medium      | Oiled operation possible (required in further operations) |
| Corrosion resistant class KBK                       | 0 - No corrosion stressing                                |
| ambient temperature [°C]                            | -10 to 80                                                 |
| Product weight [g]                                  | 120                                                       |
| Number of outlets                                   | 3                                                         |
| Number of supply lines                              | 1                                                         |
| Pneumatic connection 1                              | female thread G1/2                                        |
