

## Barbed L-Fitting LCN-1/4-PK-6 - Festo 12959

Item no. FES-12959

Manufacturer Festo

EAN 4052568021559

Festo pneumatic component for industrial automation and compressed-air applications in proven quality.

### TECHNICAL DATA

Corrosion resistance class CRC **2 - moderate corrosion stress**

HS-Code **79070000**

Material **Aluminium**

Medium **Compressed air**

Nennweite DN [mm] **4,9**

Pneumatic connection **G1/4**

Series **LCN**

Temperature (max.) **60**

Weight **0.015 kg**

### STANDARDS & COMPLIANCE

ISO 8573-1:2010

### DESCRIPTION

Festo pneumatic component for industrial automation and compressed-air applications in proven quality. The key technical data of this genuine Festo article are listed below.

|                                                     |                                                           |
|-----------------------------------------------------|-----------------------------------------------------------|
| Nominal width [mm]                                  | 4,9                                                       |
| Seal type on stud                                   | gasket                                                    |
| Operating pressure complete temperature range [bar] | -0.95 to 10                                               |
| Operating medium                                    | Compressed air to ISO 8573-1:2010 [7:-:-]                 |
| Information about operating and control medium      | Oiled operation possible (required in further operations) |
| Corrosion resistant class KBK                       | 2 - moderate corrosion stress                             |
| ambient temperature [°C]                            | 0 to 60                                                   |
| Pneumatic connection 1                              | Male thread G1/4                                          |
| Pneumatic connection 2                              | For hose exterior diameter 8 mm                           |
| Material information                                | RoHs compliant                                            |
