

# Gripper Jaw Blank BUB-HGDT-40 - Festo 541103

Item no. FES-541103

Manufacturer Festo

EAN 4052568179601

Festo pneumatic component for industrial automation and compressed-air applications in proven quality.

## TECHNICAL DATA

HS-Code 84799070

Weight 0.21 kg

## DESCRIPTION

Festo pneumatic component for industrial automation and compressed-air applications in proven quality. The key technical data of this genuine Festo article are listed below.

|                                    |                                          |
|------------------------------------|------------------------------------------|
| size                               | 40                                       |
| installation position              | arbitrary                                |
| Corrosion resistant class KBK      | 2 - moderate corrosion stress            |
| ambient temperature [°C]           | 5 to 60                                  |
| Product weight per gripper jaw [g] | 60                                       |
| Fastening type                     | With Throughway bore and centring sleeve |
| Material information               | Copper and PTFE-free                     |
| Blank material                     | Aluminium wrought alloy                  |
