

# Swivel Flange SNGB-200-B - Festo 562455

Item no. FES-562455

Manufacturer Festo

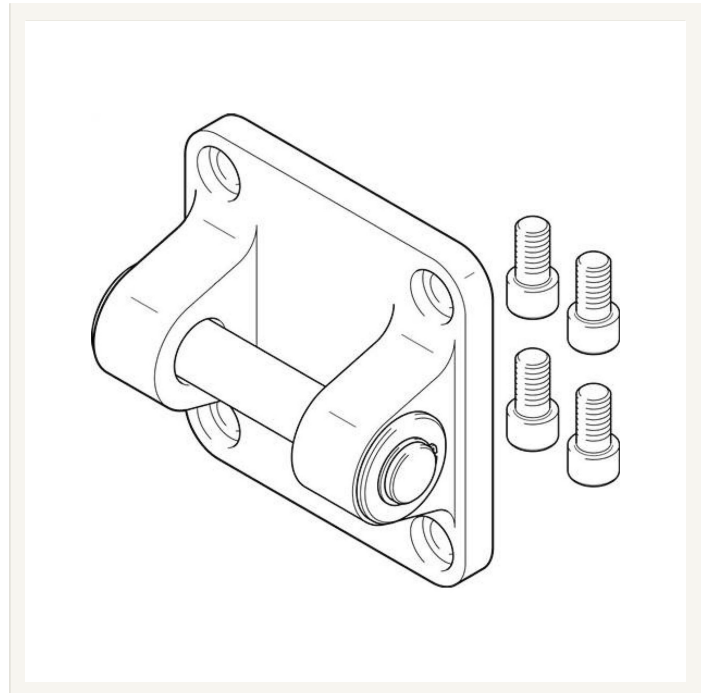

EAN 4052568209063

Festo rotary actuator for defined swivel motion and positioning in automation.

## TECHNICAL DATA

HS-Code **84833080**

Weight **10.02 kg**

## DESCRIPTION

Festo rotary actuator for defined swivel motion and positioning in automation. The key technical data of this genuine Festo article are listed below.

|                               |                                        |
|-------------------------------|----------------------------------------|
| size                          | 200                                    |
| Corrosion resistant class KBK | 2 - moderate corrosion stress          |
| Product weight [g]            | 10.020                                 |
| Material information          | Copper and PTFE-free<br>RoHs compliant |
| Mounting material             | Steel<br>zinc plating                  |
| Bolts material                | Zinc plated steel                      |
| Bearing material              | Plastic                                |
| Screws material               | Zinc-plated steel                      |
| Fuse material                 | Spring steel, zinc plating             |
| ambient temperature [°C]      | -40 to 90                              |
| Based on standard             | ISO 15552                              |
| Sleeve material               | Steel                                  |
| Washer material               | Zinc plated steel                      |
