

# Electrical Interlinki VMPAL- EVAP-10-2-4 - Festo 560968

Item no. FES-560968

Manufacturer Festo

EAN 4052568098452

Festo pneumatic component for industrial automation and compressed-air applications in proven quality.

## TECHNICAL DATA

|                                |                             |
|--------------------------------|-----------------------------|
| Betriebsspannung               | 24 V DC                     |
| Corrosion resistance class CRC | 3 - severe corrosion stress |
| HS-Code                        | 85369095                    |
| Serie                          | VMPAL                       |
| Temperature (max.)             | 50                          |
| Weight                         | 0.034 kg                    |
| Werkstoff                      | Polyamid (PA)               |

## DESCRIPTION

Festo pneumatic component for industrial automation and compressed-air applications in proven quality. The key technical data of this genuine Festo article are listed below.

|                                  |                                                |
|----------------------------------|------------------------------------------------|
| Valve size [mm]                  | 10                                             |
| Max. number of valve spaces      | 4                                              |
| Max. number of valve coils       | 8                                              |
| Integrated function              | Arrangement of the valve function colour coded |
| Nominal operating voltage DC [V] | 24                                             |
| Corrosion resistant class KBK    | 3 - severe corrosion stress                    |
| ambient temperature [°C]         | -5 to 50                                       |
| Product weight [g]               | 29                                             |
| Housing colour                   | black                                          |
| Housing material                 | PA                                             |
| Material information             | RoHs compliant                                 |
