## DESCRIPTION

The Treston TPB918 is a fully equipped packing bench from the TPB series. It is manually height-adjustable from 650 to 900 mm and offers a particularly generous 1800 x 900 mm work surface. This all-in-one bench scales and grows according to your needs, combining packing, material supply and document storage at a single workstation.

### Scope of supply

- Upper shelf SS180
- PDH divider bar
- Perforated panel with bin rail PP180

- A4 paper holder ASSA4
- Upper and lower paper roll holder PRH ROLL180 / PRHL ROLL180

## Technical data

**Work surface (WxD)** 1800 x 900 mm

**Height adjustment** 650 - 900 mm (manual)

**EAN** 6416763072347

## Application

Ideal as a central packing and dispatch workstation that adapts modularly to growing requirements.
