

Stripping Knife Ø 4-28 mm with Hook Blade and Adjustable Depth - Bernstein 5-505

Item no. BS-5-505

Manufacturer Bernstein

EAN 4250838506649

This stripping knife covers the wide range from Ø 4 to 28 mm with a hook blade, stripping common round cable precisely and safely. An adjusting screw at the handle end sets the cutting depth, and the rotating inner blade switches automatically between round and longitudinal cuts.

TECHNICAL DATA

Ausführungsklasse	TEC
HS-Code	82119200
Lenght	185
Weight	0.078 kg

DESCRIPTION

For precise, fast and safe stripping of common round cable from Ø 4 to 28 mm, a hook blade combined with an adjusting screw at the handle end sets a fixed cutting depth, while the rotating inner blade automatically switches between round and longitudinal cutting.

ADVANTAGES

- Wide working range from Ø 4 to 28 mm thanks to the hook blade
- Adjusting screw at the handle end for a fixed cutting depth
- Retractable, rotating blade switches automatically from round to longitudinal cutting
- Blades made of special stainless steel for lasting sharpness
- One-component plastic handle, non-slip

TECHNICAL DATA

Feature	Value
Blades	special stainless steel
Handle	one-component plastic, non-slip
Overall length	185 mm
Weight	78 g

APPLICATION

Suited for stripping round cable across the wide range from Ø 4 to 28 mm in electrical installation, control cabinet building and cable assembly, on irregular insulation make a round cut first, then open lengthwise.
