### DESCRIPTION

Checking boxes, shelf spacing, or parts up to two meters calls for a rugged, ready-to-grab tape measure. The 7-506 tape measure sits in a shockproof plastic housing of 55 mm and weighs only 70 g.

### BENEFITS

- Measuring range of 2 m covers most check dimensions in daily work.
- Shockproof plastic housing survives drops and daily use in a tool bag.
- Compact 55 mm housing sits comfortably in the hand and fits into any tool bag or drawer.
- Low weight of 70 g for continuous use without added bulk in a pocket or bag.

### TECHNICAL DATA

| Feature | Value              |
|---------|--------------------|
| Housing | Shockproof plastic |
| Length  | 55 mm              |
| Weight  | 70 g               |

### APPLICATION

- Check measurements up to 2 m on workpieces, packaging, and shelving.
- Quick length measurement in workshops, warehouses, and shipping departments.
- Carried in the toolbox alongside a folding rule for everyday use.
