HS-Code	82031000
Lenght	1
Weight	0.017 kg

DESCRIPTION

For coarser filing on keys, small parts and precision mechanics assemblies, the Bernstein 5-231 warding file delivers 22 cuts per cm over an overall length of 100 mm with a comfortable wooden handle.

ADVANTAGES

- 22 cuts per cm for quick, even material removal on coarser work
- Flat, blunt-end profile works flat surfaces and edges without damaging neighboring faces
- Wooden handle sits fatigue-free and slip-resistant in the hand, even during extended use
- File in a high-quality finish, Made in Germany
- Compact overall length of 100 mm at only 17 g for mobile use

TECHNICAL DATA
