

## Replacement Heating Element for Multi-Sprint Soldering Iron, 75 W / 230 V - Ersa E096100

Item no. ER-E096100

Manufacturer Ers

EAN 4003008060836

Genuine Ersa replacement heating element for the Multi-Sprint soldering iron (0960ED). Delivers 75 W at 230 V to restore the iron's full heating performance. RoHS compliant.

| Weight                 | 0.02 kg |

### DESCRIPTION

Genuine Ersa replacement heating element for the Multi-Sprint soldering iron (0960ED). It restores the iron's full heating performance and ensures fast, stable heat-up of the soldering tip.

### TECHNICAL DATA

|                |                                      |
|----------------|--------------------------------------|
| Nominal power  | 75 Watt                              |
| Voltage        | 230 Volt                             |
| Suitable for   | Multi-Sprint soldering iron (0960ED) |
| RoHS compliant | Yes                                  |
