ESD safe IEC 61340-5-1

DESCRIPTION

The sign holder makes ESD notices clearly visible on a dual belt barrier. The black stainless steel frame holds DIN A4 sheets and fits onto double belt barrier posts via a mounting flange. A warning sign ESD protected area is included.

BENEFITS

- Clearly visible EPA marking directly on the belt post
- Holds DIN A4 sheets, content freely interchangeable
- Mounting flange suitable for dual belt posts
- Includes warning sign ESD protected area

TECHNICAL DATA

- Frame: stainless steel, colour black
- Format: DIN A4
- Dimensions: approx. 29.5 x 21.5 x 2.3 cm
- Mounting: flange for belt posts
- Suitable for: barrier posts with a double belt

APPLICATION

For signage of EPA belt barrier systems in electrostatic protected areas (EPA) to IEC 61340-5-1.
