

Belt barrier post yellow-black, height 1000 mm, incl. dual belt 2000 mm one side EPA imprint - A1-ESD C-209 20570

Item no. C-209 20570

Manufacturer A1-ESD

Stable belt barrier post with a double belt for variable cordoning of ESD protected areas. Height 1000 mm, yellow powder coated post tube with black foot cover and two belts printed on one side with the EPA notice.

TECHNICAL DATA

Ausführungsklasse	ESD (antistatic)
Colour	Yellow
ESD equipment	ESD-Arbeitsplätze
Height	1000
Norm	IEC 61340-5-1
Sales unit	1 Stück
Weight	12.5 kg

STANDARDS & COMPLIANCE

ESD safe IEC 61340-5-1

DESCRIPTION

The belt barrier post with two belts prevents anyone from passing under the EPA barrier and cordons off ESD protected areas flexibly. The belts are printed on one side only, so the EPA notice is visible from outside and people are not confused when leaving. The roughly 7 kg base plate with a 350 mm diameter ensures stability, and rubber rings on the underside prevent slipping and protect the floor.

BENEFITS

- Two belts prevent passing under the barrier
- One side printed belts, EPA notice visible only from outside
- Heavy base plate for a firm stand, rubber rings against slipping
- Bilingual imprint ESD PROTECTED AREA / ESD GESCHÜTZTER BEREICH

TECHNICAL DATA

- Post tube: powder coated steel, colour yellow
- Foot: with cover, colour black
- Post height: 1000 mm
- Foot diameter: 350 mm
