

## Foldable KLT box 60 x 40 x 28 cm - Auer ESD F-KLT 6410

Item no. ESD F-KLT 6410

Manufacturer Auer

Foldable KLT small load carrier to VDA dimensions, combining the strengths of the KLT range with the space saving collapsibility of foldable boxes. Collapses when empty to save space on returnable container logistics

### TECHNICAL DATA

|------------------------|--------------------------------|
| Ausführungsklasse      | <b>ESD (antistatic)</b>        |
| Country of Manufacture | <b>Germany</b>                 |
| HS-Code                | <b>39231000</b>                |
| Note                   | <b>Stück auf Palette - 135</b> |
| Weight                 | <b>3.9 kg</b>                  |

### STANDARDS & COMPLIANCE

IEC 61340-5-1

### DESCRIPTION

Foldable KLT small load carrier to VDA dimensions, combining the strengths of the KLT range with the space saving collapsibility of foldable boxes.

- Collapses when empty to save space on returnable container logistics
- VDA compliant outer dimensions for automated material flow
- Stackable when erected for secure towers
- Volume of up to 49.5 litres
- Reinforced impact surfaces for pulling technology and heavy use
- Dissipative design to IEC 61340-5-1, volume resistance  $10^3 < 10^{10}$  Ohm/cm for safe handling of electrostatic discharge sensitive components.

Used in the automotive supply chain and intralogistics where empties need to be returned in minimal space.

Made of polypropylene (PP) to VDA standard, manufactured in Germany.
