### STANDARDS & COMPLIANCE

ESD safe

### DESCRIPTION

The Dry Transfer Label with ESD Symbol in 20 x 16 mm transfers the ESD warning sign cleanly onto small surfaces without a visible film edge. The yellow-black version provides high contrast and good legibility, while 25 pieces on a card make series marking easy.

### BENEFITS

- High-contrast yellow-black ESD symbol for good visibility
- Transfer without a visible carrier edge for a printed-on appearance
- 25 pieces on a card for fast series marking

### TECHNICAL DATA

- Size: 20 x 16 mm
- Material: dry transfer film
- Colour: yellow-black on transparent film
- Selling unit: 25 pieces on a card

## **APPLICATIONS**

For marking small devices, modules and measuring tools within the EPA.
