

ESD ring binder DIN A4 black, permanently antistatic, 65 mm spine - A1- ESD EP0901030

Item no. EP0901030

Manufacturer A1-ESD

Permanently antistatic ESD ring binder DIN A4 made of black vinyl with 4 rings and a 65 mm fill height. Surface resistance 10^{11} ohm for dissipative filing of documents in the EPA.

TECHNICAL DATA

Ausführungsklasse	ESD (antistatic)
Colour	Black
Norm	IEC 61340-5-1
Sales unit	1 Stück
Weight	0.1 kg

STANDARDS & COMPLIANCE

ESD safe IEC 61340-5-1

DESCRIPTION

File documents in the EPA without using chargeable standard binders. The ring binder is permanently antistatic, made of vinyl and fitted with four rings.

BENEFITS

- Permanently antistatic, lasting defined resistance
- Vinyl construction in black
- 4-ring mechanism for DIN A4

TECHNICAL DATA

- Format: DIN A4
- Fill height: 65 mm
- Number of rings: 4
- Colour: black
- Material: vinyl
- Surface resistance: 10^{11} ohm

APPLICATIONS

Document storage at the EPA workstation per IEC 61340-5-1.
