

24 V DC power supply for Performax and Thunderlon ionizing bars

Item no. EP0499005

Manufacturer A1-ESD

24 V DC power supply for the Performax Easy, Performax IQ Easy, Thunderlon 2.0 and Sensor IQ Easy ionizing bars. Provides the operating voltage for continuous use.

TECHNICAL DATA

Ausführungsklasse **TEC**Sales unit **1 Stück**Weight **0.1 kg**

DESCRIPTION

The power supply feeds compatible ionizing bars with 24 V DC and provides the operating voltage for permanent stationary operation.

COMPATIBILITY

- Performax Easy
- Performax IQ Easy
- Thunderlon 2.0
- Sensor IQ Easy

TECHNICAL DATA

- Output voltage: 24 V DC
- Function: power supply for ionizing bars
