

Soldering Iron 70W for FM 202/203/204/206 - Hakko FM2027-01

Item no. HK-FM2027-01

Manufacturer Hakko

EAN 4962615022746

Professional 70W soldering iron handpiece designed for Hakko FM 202, FM 203, FM 204, and FM 206 soldering stations. Features rapid heating and precise temperature stability for reliable soldering performance.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Japan
HS-Code	85151100
Note	Es gibt keine Lieferung von Hakko Produkten in die Schweiz
Weight	0.0099 kg

DESCRIPTION

OVERVIEW

The Hakko FM2027-01 is a 70W soldering iron handpiece engineered for use with Hakko FM 202, FM 203, FM 204, and FM 206 soldering stations. This professional-grade iron delivers consistent heat output and rapid temperature recovery, making it ideal for high-volume production and repair work.

KEY FEATURES

- 70W heating power for efficient solder melting
- Compatible with FM 202, FM 203, FM 204, and FM 206 stations
- Rapid heat-up and temperature stabilization
- Durable construction for extended operational life
- Ergonomic handpiece design for comfortable extended use
- Reliable temperature control for consistent solder joints

TECHNICAL SPECIFICATIONS

Power Rating	70 W
Compatible Stations	FM 202, FM 203, FM 204, FM 206
Country of Origin	Japan

APPLICATIONS

Ideal for electronics assembly, PCB soldering, component rework, and general-purpose soldering tasks in professional and industrial environments.
