

Hot Air Nozzle 6mm - Hakko N4-03

Item no. HK-N4-03	Manufacturer Hakko	EAN 4962615037634
-------------------	--------------------	-------------------

6mm diameter hot air nozzle designed for the Hakko FM-2029 hot air soldering iron. Enables precise component heating and micro-soldering rework tasks with concentrated airflow.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Japan
HS-Code	85159080
Note	Es gibt keine Lieferung von Hakko Produkten in die Schweiz
Weight	0.0099 kg

DESCRIPTION

OVERVIEW

The Hakko N4-03 is a precision hot air nozzle with a 6mm diameter opening, specifically engineered for use with the FM-2029 hot air soldering iron. This nozzle concentrates heated airflow for targeted component heating and fine-pitch soldering rework applications.

KEY FEATURES

- 6mm diameter nozzle opening for concentrated heat delivery
- Compatible with FM-2029 hot air soldering iron
- Precision-engineered for micro-soldering and rework tasks
- Durable construction for repeated use
- Easy installation and removal

TECHNICAL SPECIFICATIONS

Nozzle Type	Hot Air Nozzle
Nozzle Diameter	6mm
Compatible Handpiece	FM-2029
Country of Origin	Japan

APPLICATIONS

Ideal for precision soldering, component rework, micro-soldering tasks, and applications requiring concentrated heat delivery to small areas. Suitable for both through-hole and surface-mount component work.
