Weight	0.0099 kg

DESCRIPTION

OVERVIEW

The Hakko B5007 is a replacement green handpiece designed specifically for the Hakko FX-1001 induction soldering iron system. This ergonomic grip component provides comfortable handling during extended soldering sessions and is engineered to withstand the thermal demands of professional soldering work.

KEY FEATURES

- Purpose-built for Hakko FX-1001 induction soldering iron
- Heat-resistant green grip material
- Ergonomic design for reduced operator fatigue
- Durable construction for long-term reliability
- Easy installation and replacement

TECHNICAL SPECIFICATIONS

Compatibility	Hakko FX-1001
Color	Green
Type	Handpiece / Grip

Country of Origin	Japan
-------------------	-------

APPLICATIONS

Ideal for replacement or spare handpiece use in professional soldering environments, electronics assembly, repair work, and maintenance operations where the Hakko FX-1001 induction soldering system is deployed.
