DESCRIPTION

OVERVIEW

The Hakko FH200-83 is a specialized iron holder stand designed specifically for use with Hakko FX-8002 and FX-8003 soldering irons. This accessory provides a secure and stable resting position for your soldering iron when not in active use, helping to maintain workspace organization and protect your work surface.

KEY FEATURES

- Purpose-built compatibility with FX-8002 and FX-8003 soldering irons
- Stable, non-slip design for safe iron placement
- Compact footprint suitable for benchtop workstations
- Durable construction for long-term reliability
- Helps prevent accidental contact with hot iron tips

TECHNICAL SPECIFICATIONS

Compatible Irons	Hakko FX-8002, FX-8003
Model	FH200-83
Country of Origin	Japan

APPLICATIONS

Ideal for electronics assembly, repair, and rework operations where FX-8002 or FX-8003 soldering irons are employed. Provides convenient iron storage during multi-step soldering tasks and helps maintain a safe, organized workspace.
