

Desoldering Pump Front Holder - Hakko A5017

Item no. HK-A5017	Manufacturer Hakko	EAN 4962615044519
-------------------	--------------------	-------------------

Front holder accessory for Hakko FR 4001 desoldering pump. Provides secure mounting and positioning of the pump during desoldering operations. Compatible with FR 4001 systems.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Japan
HS-Code	85159080
Note	Es gibt keine Lieferung von Hakko Produkten in die Schweiz
Weight	0.0099 kg

DESCRIPTION

OVERVIEW

The Hakko A5017 is a front holder accessory designed specifically for the Hakko FR 4001 desoldering pump. This mounting component provides stable positioning and secure attachment of the desoldering pump during soldering and desoldering work, enhancing operational efficiency and precision.

KEY FEATURES

- Designed for Hakko FR 4001 desoldering pump
- Secure front mounting configuration
- Stable positioning during operation
- Professional-grade construction
- Japan-manufactured quality

TECHNICAL SPECIFICATIONS

Compatibility	Hakko FR 4001
Product Type	Replacement Part / Accessory
Country of Origin	Japan

APPLICATIONS

Ideal for electronics assembly, PCB rework, and component replacement operations where the FR 4001 desoldering pump is utilized. Ensures proper pump positioning and accessibility during precision soldering work.
