

Desoldering Pump Filter Holder - Hakko A5018

Item no. HK-A5018	Manufacturer Hakko	EAN 4962615044526
-------------------	--------------------	-------------------

Filter holder designed for the Hakko FR4001 desoldering pump. Maintains optimal airflow and filtration performance during solder removal operations. Genuine Hakko replacement part.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Japan
HS-Code	85159080
Note	Es gibt keine Lieferung von Hakko Produkten in die Schweiz
Weight	0.0099 kg

DESCRIPTION

OVERVIEW

The Hakko A5018 is a replacement filter holder assembly designed specifically for the Hakko FR4001 desoldering pump. This component ensures proper filtration and airflow management during desoldering operations, maintaining consistent performance and extending the service life of the pump.

KEY FEATURES

- Genuine Hakko replacement part for FR4001 desoldering pump
- Optimized filter mounting design for reliable operation
- Maintains consistent vacuum pressure and airflow
- Durable construction for extended service life
- Easy installation and maintenance

TECHNICAL SPECIFICATIONS

Compatibility	Hakko FR4001
Product Type	Replacement Part
Country of Origin	Japan

APPLICATIONS

Ideal for maintenance and repair of Hakko FR4001 desoldering pump systems. Recommended replacement when filter holder shows wear or reduced airflow performance.
