Weight	0.0099 kg

DESCRIPTION

OVERVIEW

The Hakko A5030 is a front holder designed specifically for Hakko desoldering pumps, including the FR 4101 and FR 301 models. This accessory provides secure mounting and positioning of the desoldering pump on the rework station, ensuring stable operation and convenient access during soldering and desoldering tasks.

KEY FEATURES

- Compatible with FR 4101 and FR 301 desoldering pumps
- Secure front-mounted positioning
- Stable and reliable mounting
- Improves ergonomics and accessibility
- Professional-grade construction
- Japanese manufacturing quality

TECHNICAL SPECIFICATIONS

Compatibility	FR 4101, FR 301
Product Type	Desoldering Pump Holder
Country of Origin	Japan

APPLICATIONS

Ideal for professional electronics rework, PCB repair, and component replacement operations where secure desoldering pump positioning is essential for precision work.
