Note	Es gibt keine Lieferung von Hakko Produkten in die Schweiz
Weight	0.0099 kg

DESCRIPTION

OVERVIEW

The Hakko FH200-04 is a specialized handpiece holder designed for the FM2023 mini parallel desoldering tweezers. It features an integrated cleaning sponge to maintain tip condition and keep your workstation organized during precision desoldering and rework tasks.

KEY FEATURES

- Integrated cleaning sponge for tip maintenance
- Optimized design for FM2023 mini parallel tweezers
- Compact footprint suitable for confined workspaces
- ESD-safe construction for sensitive component protection
- Durable construction for extended workshop use

TECHNICAL SPECIFICATIONS

Compatible Handpiece	FM2023 Mini Parallel Tweezers
Sponge Included	Yes
ESD Safe	Yes
Country of Origin	Japan

APPLICATIONS

Ideal for electronics assembly, PCB rework, component replacement, and precision soldering environments where organized tool storage and tip cleanliness are essential.
