

Protective Cover 650x650 mm for PE 5/OC-T Positioning Unit - Bosch Rexroth 3842554571

Item no. BRR-3842554571

Manufacturer Bosch Rexroth

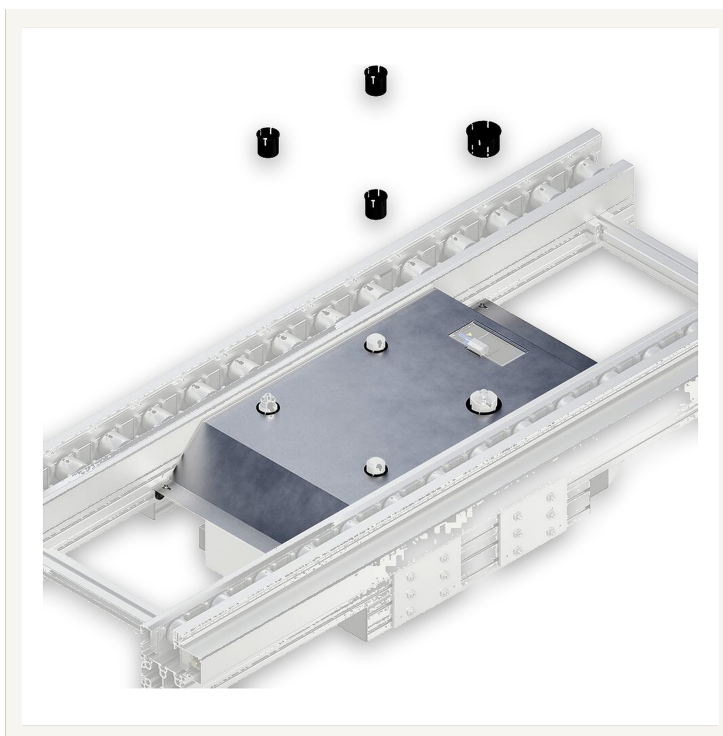

Aluminium protective cover for the PE 5/OC-T positioning unit, compatible with the PE 5/OC-T fitted with VE 5/OCD-300 or VE 5/OCD-1000 vertical lift modules. Guards the area above the lifting plungers and is supplied unassembled, including protective sleeves A and B and all fastening hardware. Track width and transport length: 650 mm each.

TECHNICAL DATA

Country of Manufacture **Germany**

HS-Code **76109090**

Weight **0.1 kg**

DESCRIPTION

The protective cover 3842554571 shields the area above the lifting plungers of the PE 5/OC-T positioning unit from accidental contact and damage. It is compatible with the standard PE 5/OC-T and with variants equipped with the VE 5/OCD-300 or VE 5/OCD-1000 vertical lift module. The cover is supplied unassembled - refer to the assembly instructions for installation dimensions. Note: Do not walk on the protective covers.

- Aluminium housing - lightweight and durable for continuous use in assembly technology
- PA (polyamide) protective sleeves absorb impact and protect moving components
- Complete scope of delivery: protective sleeves A and B plus all fastening hardware included
- Track width $b = 650$ mm matches the track width of the positioning unit in the direction of transport

TECHNICAL DATA

Specification	Value
Article number	3842554571
Length in direction of transport [IT]	650 mm
Track width [b]	650 mm
Cover material	Aluminium
Sleeve material	PA (polyamide)

Specification	Value
Weight	2.5 kg
Delivery condition	Not assembled
Scope of delivery	Protective sleeves A and B, fastening hardware
Compatibility	PE 5/OC-T, PE 5/OC-T with VE 5/OCD-300, PE 5/OC-T with VE 5/OCD-1000
