

# Mains Cable D/F-HD to IEC 0.75 m - Bosch Rexroth 3842564680

Item no. BRR-3842564680

Manufacturer Bosch Rexroth

Mains cable with D/F-HD connector on the device side and IEC connection on the supply side, 0.75 m in length. Designed for connecting Bosch Rexroth assembly technology components to mains power, weighing 0.25 kg.

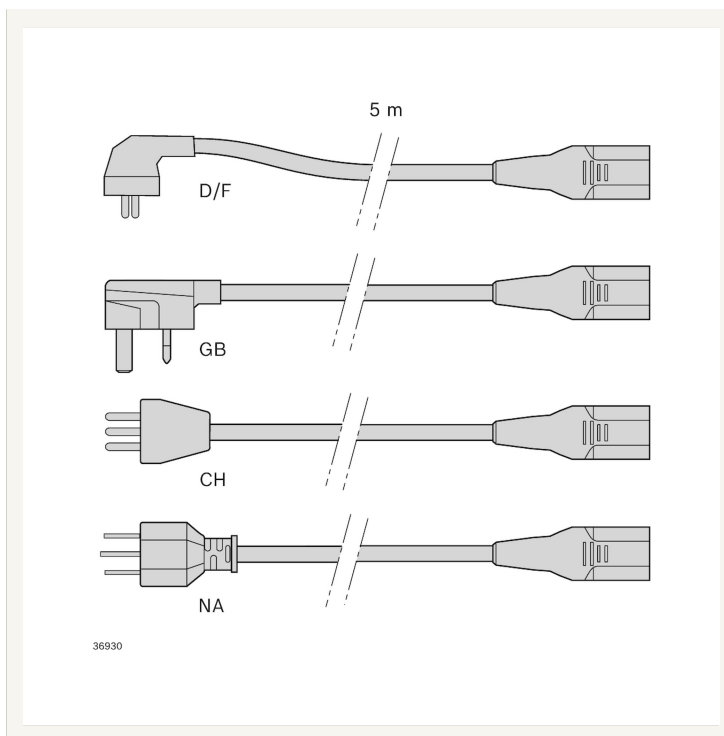

## TECHNICAL DATA

Country of Manufacture **Romania**

HS-Code **85444290**

Length **0,75 m**

Weight **0.25 kg**

## DESCRIPTION

The 0.75 m mains cable D/F-HD-IEC connects Bosch Rexroth assembly technology components to the mains supply. The D/F-HD connector on the device side pairs with the IEC connection on the supply side for a secure and reliable fit.

- Cable length 0.75 m - compact for space-efficient installations
- D/F-HD connector (device side), IEC connection (supply side)
- Weight 0.25 kg - lightweight and easy to route
- Genuine Bosch Rexroth accessory for assured system compatibility
