DESCRIPTION

The CH-HD-GST mains cable delivers reliable power supply at Bosch Rexroth workstations in manual assembly lines. At 3.5 m, the cable offers enough reach for comfortable operator movement without excess slack or cable clutter.

- **Purpose-matched connectors:** CH-HD plug to GST socket - designed to integrate directly with Bosch Rexroth workstation infrastructure.
- **Durable PUR jacket:** H07BQ-F rated polyurethane insulation withstands oils, cooling fluids and abrasion in production environments.
- **High visibility:** Orange colour simplifies cable identification and routing at the assembly station.
- **Low weight:** 0.5 kg for fast installation and easy replacement.
