

Cable Management Profile 120x120 with 6 Slots and Hinged Cover - Bosch Rexroth 3842994054

Item no. BRR-3842994054

Manufacturer Bosch Rexroth

Function-integrated aluminum cable management profile 120x120 mm with usable interior space for routing cables and hoses. Two-part system with a hinged cover on both sides and a concealed 10 mm groove for socket strips. M12 core holes in all positions, available in lengths from 100 to 6000 mm.

TECHNICAL DATA

Country of Manufacture	Germany
HS-Code	76169990
Weight	0.1 kg

DESCRIPTION

The 120x120 6N M12/- cable management profile in anodized aluminum provides an enclosed interior channel for routing cables and hoses in assembly systems. The two-part design - profile and cover - keeps wiring concealed while remaining fully accessible at any time.

- Cover with hinge function on both sides - no removal needed for access
- Concealed 10 mm groove for mounting socket strips or installation elements
- Screw holes for securing cover plates
- Mount for dividing strips and grounding cables
- Mount for potential equalizer line
- Closed exterior for a clean visual profile
- M12 core holes in all positions for flexible mounting
