

Cable Management Profile 40x120x120 M12, 2-Part with Hinge Function - Bosch Rexroth 3842996368

Item no. BRR-3842996368

Manufacturer Bosch Rexroth

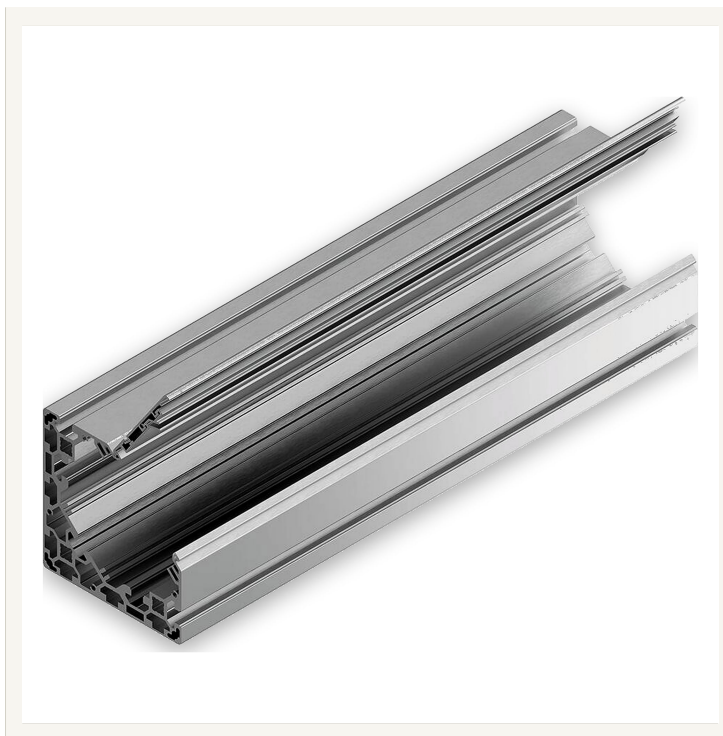

Anodized aluminum cable management profile with usable interior space for cables and hoses, supplied as a 2-part assembly of profile and cover. The cover opens on either side for easy access and presents a fully closed exterior. Available in lengths from 100 to 6000 mm with M12 tapped core holes throughout.

TECHNICAL DATA

Country of Manufacture **Germany**

HS-Code **76042100**

Weight **0.1 kg**

DESCRIPTION

The 40x120x120 M12 cable management profile in anodized aluminum routes cables and hoses cleanly inside assembly-system structures. The 2-part design - profile body and hinged cover - keeps installations neat and accessible across lengths from 100 to 6000 mm.

- Usable interior space for cables and hoses with a fully closed exterior appearance
- Cover hinges on both sides for quick access without full disassembly
- Concealed 10 mm groove for socket strips or installation elements
- Screw holes for cover plates; mounts for dividing strips and grounding cables
- Dedicated mount for potential equalizer line
- M12 tapped holes in all core bores for direct, tool-efficient mounting

TECHNICAL DATA

Specification	Value
