

Belt Section BS 2/C-100 - Bosch Rexroth 3842998933

Item no. BRR-3842998933

Manufacturer Bosch Rexroth

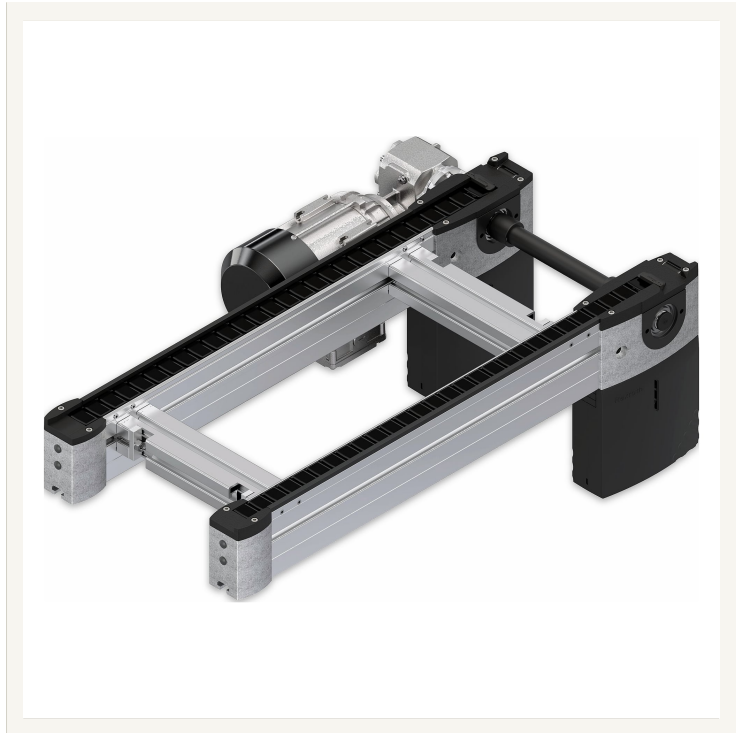

The BS 2/C-100 belt section is a conveyor segment for Bosch Rexroth BS 2 modular assembly systems, providing guided workpiece transport between stations. It integrates directly with other BS 2 components to form flexible transfer line configurations.

TECHNICAL DATA

Country of Manufacture **Germany**

HS-Code **84283990**

Weight **0.1 kg**

DESCRIPTION

The BS 2/C-100 belt section is a transfer system segment designed for use in modular assembly lines based on the Bosch Rexroth BS 2 series. It delivers smooth, guided workpiece movement between workstations and can be combined freely with other BS 2 modules to suit varying line layouts.

- System-compatible with the Bosch Rexroth BS 2 series
- Suitable for horizontal workpiece transport in assembly transfer lines
- Modular design supports flexible line configurations
