

Belt Section Component BS 2/C-H for Two-Strand Conveyor Systems - Bosch Rexroth 3842998935

Item no. BRR-3842998935

Manufacturer Bosch Rexroth

Component for the BS 2/C-H belt section system by Bosch Rexroth, used in two-strand belt conveyors for industrial assembly and transfer technology. The part integrates into modular BS 2 conveyor lines and conforms to the BS 2 series mechanical interfaces. Weight: 0.1 kg.

TECHNICAL DATA

Country of Manufacture **Germany**

HS-Code **84283990**

Weight **0.1 kg**

DESCRIPTION

The BS 2/C-H belt section component is part of the modular BS 2 belt conveyor system from Bosch Rexroth. BS 2 conveyor lines are used in industrial assembly and transfer technology to transport workpiece carriers or components in indexing or accumulating mode.

- Designed for the BS 2 series - mechanical interfaces conform to BS 2 standard
- Modular design - allows flexible line configuration
- Low weight of 0.1 kg - simplifies handling and installation
