

Track Roller for Roller Track RS 2/H - Bosch Rexroth 3842998940

Item no. BRR-3842998940

Manufacturer Bosch Rexroth

Single track roller for the RS 2/H roller track in the Bosch Rexroth assembly system. Guides workpiece carriers along manual and semi-automated assembly lines. Compatible with the modular RS 2 profile system.

TECHNICAL DATA

Country of Manufacture **Germany**

HS-Code **84313900**

Weight **0.1 kg**

DESCRIPTION

The RS 2/H track roller is an individual component for building and maintaining roller track sections in the Bosch Rexroth RS 2 assembly system. At 0.1 kg, it serves as a replacement or extension part for existing conveyor lines in manual and semi-automated assembly environments.

- **System compatible:** fits all roller track assemblies in the RS 2 series
- **Lightweight design:** 0.1 kg unit weight simplifies installation and in-service replacement
- **Modular:** individual rollers can be replaced without dismantling the entire track
