

Conveyor Section ST 7/OC-3 - Bosch Rexroth 3842998968

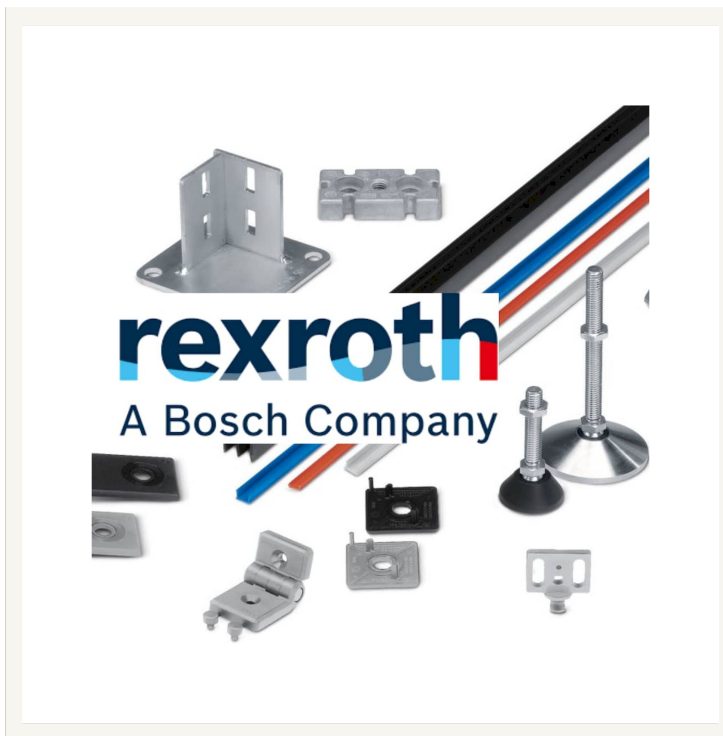

Item no. BRR-3842998968

Manufacturer Bosch Rexroth

Conveyor section ST 7/OC-3 from the Bosch Rexroth assembly technology range. Designed for use in manual and semi-automated assembly lines based on modular transfer systems. Extends existing conveyor layouts without structural rework.

TECHNICAL DATA

Country of Manufacture **Germany**

Weight **0.1 kg**

DESCRIPTION

The conveyor section ST 7/OC-3 is a line segment from the Bosch Rexroth assembly technology program, used in modular transfer systems for industrial assembly applications. It allows flexible extension or supplementation of existing conveyor runs.

- Modular design for straightforward integration into existing line structures
- Compatible with other conveyor and connecting elements in the Bosch Rexroth assembly technology series
- Compact weight of 0.1 kg simplifies handling and installation
