

Corundum Fan Sander grit 100 Ø 50 mm for LHW - Proxxon 28590

Item no. PX-28590

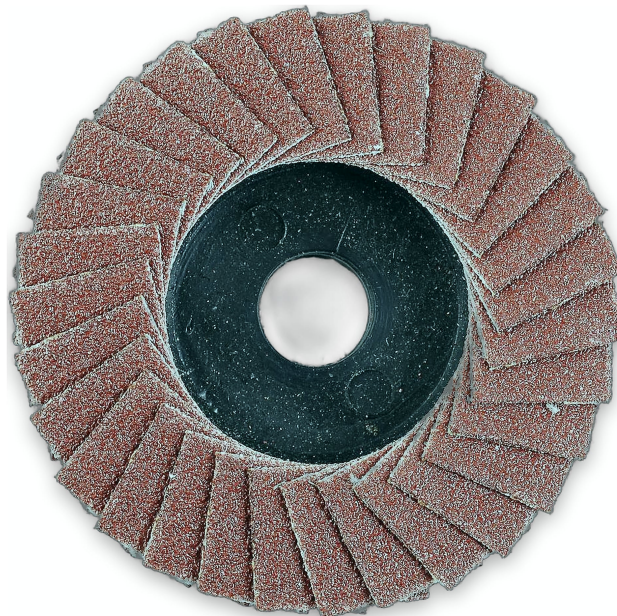

Manufacturer Proxxon

EAN 4006274285903

This corundum fan sander in grit 100 and 50 mm diameter is an accessory for the LHW and LHW/A long neck angle grinders. The finer grit grinds and smooths tempered cast iron, cast iron, stainless steel, steel, non-ferrous metals, wood and plastic. It removes material quickly while keeping the surface even.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
