

Bandschleifer BS/E 80W mit schwenkbarem Schleifarm - Proxxon 28536

Item no. PX-28536

Manufacturer Proxxon

EAN 4006274285361

BS/E belt sander with an 80 W DC special motor and variable speed control for belt speeds of 225 to 450 m/min. The sanding arm pivots up to 60° at the push of a button to reach small openings, radii and slots. Supplied with 4 belts.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
Weight	1.893 kg

DESCRIPTION

The BS/E belt sander is built for finishing small openings, reworking shapes, surfaces and radii, and for de-burring and chamfering precision parts. The balanced 80 W DC special motor runs powerfully, quietly and reliably.

- **Pivoting sanding arm:** adjusts up to 60° at the push of a button.
- **Variable speed control** (full-wave electronics) to match the material.
- Die-cast aluminium gear head for high stability and precise ball bearing fit.
- Main housing of glass-fibre reinforced polyamide.
- Extraction port with adapter for a vacuum cleaner.

TECHNICAL DATA

- Voltage: 230 V
- Power: 80 W
- Belt: 10 x 330 mm (usable area 10 x 110 mm)
- Belt speed: 225 - 450 m/min
- Length: 350 mm
- Weight: 650 g
- Insulated to class 2

Suited to metal, non-ferrous metals, wood and plastics. Supplied with 4 belts (2 each of 80 and 180 grit) and a sturdy polypropylene storage case.
