

Feinbohrschleifer FBS 12/EF 100W mit Bohrfutter 0,3-3,2 mm - Proxxon 28462

Item no. PX-28462

Manufacturer Proxxon

EAN 4006274284623

Powerful 12-volt precision drill grinder with a balanced special DC motor and forced ventilation cooling for extended use without power loss. The keyless chuck (0.3-3.2mm) changes bits without a tool, or MICROMOT steel collets can be fitted. Variable speed from 3,000 to 15,000rpm.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
Weight	0.607 kg

DESCRIPTION

The FBS 12/EF is a powerful precision drill grinder built for continuous use. The forced ventilation cooling allows extended periods of operation without power loss, while the balanced special DC motor runs quietly with high life expectancy.

- **Keyless chuck** with a 0.3 - 3.2mm capacity for tool-free changes, particularly useful with HSS drills of varying diameters.
- **Ball-bearing precision spindle** of ground steel with a spindle lock button.
- **Recessed spindle head** also accepts MICROMOT steel collets.
- **Variable speed control** with feedback effect and high engine power at low speeds.
- **20mm standard collar** and housing of glass-fibre reinforced polyamide.

TECHNICAL DATA

- Direct voltage: 12 - 18 V
- Power: 100 W
- Speed: 3,000 - 15,000rpm
- Length: 185 mm
- Weight: 450 g
- Chuck capacity: 0.3 - 3.2 mm

For precision drilling, milling, grinding, polishing, brushing, derusting, engraving, chiselling and cutting. MICROMOT mains adapters of at least 2A are recommended for operation.
