|------------------------|----------|
| Ausführungsklasse      | TEC      |
| Country of Manufacture | Germany  |
| HS-Code                | 84799080 |
| Weight                 | 2.01 kg  |

### DESCRIPTION

The KT 57 Z stainless steel basket holder receives baskets and sieve trays in the SONOREX ultrasonic bath and supports them safely and without scratching. The load stays securely positioned without touching the oscillating tank and can be loaded and removed conveniently.

### BENEFITS

- Safe, scratch-free support for baskets and sieve trays
- Load capacity up to 10 kg for heavier items
- Keeps the load clear of the oscillating tank and protects it from abrasion
- Durable stainless steel, resistant to common cleaning agents
- Marked as a Class I medical device
