

Sanding Drum Carrier Ø 9 mm 5 each grit 80 + 150 - Proxxon 28987

Item no. PX-28987

Manufacturer Proxxon

EAN 4006274289871

This sanding drum carrier of 9 mm diameter is supplied with five sanding drums each in grit 80 and grit 150. This lets you rough sand workpieces and then finish them finely. The drums simply slip onto the rubber carrier.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
Weight	0.009 kg

DESCRIPTION

Sanding drum carrier with rubber core for sanding in recesses and on curves with MICROMOT tools. The included sanding drums cover coarse pre-sanding and fine finishing.

- **Ø 9 mm** for precise work on small contours.
- **Grit 80** for pre-sanding and **grit 150** for fine finishing.
- **5 drums each** of both grits plus carrier.

TECHNICAL DATA

- Diameter: 9 mm
