

Flap Wheel Sander Corundum 20 x 10 mm - Proxxon 28984

Item no. PX-28984

Manufacturer Proxxon

EAN 4006274289840

This corundum flap wheel sander measures 20 x 10 mm and sands profiles, curves and hard to reach spots. The individual flaps follow the shape of the workpiece and wear evenly. It runs on MICROMOT tools.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
Weight	0.009 kg

DESCRIPTION

Corundum flap wheel sander for sanding profiles, curves and hard to reach areas with MICROMOT tools. The flap arrangement picks up the contour and gives even stock removal.

- **Corundum** for use on metal, wood and plastic.
- **20 x 10 mm** for smaller surfaces and contours.
- **Flap design** adapts to the workpiece shape.

TECHNICAL DATA

- Material: corundum
- Dimensions: 20 x 10 mm

For sanding profiles and curves.
