

Flap Wheel Sander Corundum 30 x 10 mm - Proxxon 28985

Item no. PX-28985

Manufacturer Proxxon

EAN 4006274289857

This corundum flap wheel sander measures 30 x 10 mm and covers larger profiles and curves with its wider face. The flaps follow the workpiece shape and wear evenly. It runs on MICROMOT tools.

TECHNICAL DATA

Ausführungsklasse **TEC**

Country of Manufacture **Germany**

Weight **0.012 kg**

DESCRIPTION

Corundum flap wheel sander for sanding profiles, curves and hard to reach areas with MICROMOT tools. The wider build covers larger surfaces than the 20 mm version.

- **Corundum** for use on metal, wood and plastic.
- **30 x 10 mm** for larger surfaces and contours.
- **Flap design** adapts to the workpiece shape.

TECHNICAL DATA

- Material: corundum
