EAN 4006274241442

Five-piece collet set for milling cutters from 2.4 to 5 mm, for the PF 230 mill/drill attachment and FF 230 miller. One collet each for 2.4, 3, 3.2, 4 and 5 mm in a wooden box with sliding lid.

TECHNICAL DATA

Ausführungsklasse **TEC**Country of Manufacture **Germany**Weight **0.235 kg**

DESCRIPTION

This collet set adds five common cutter diameters to the PF 230 mill/drill attachment and the FF 230 miller. It lets you clamp milling cutters from 2.4 to 5 mm securely and concentrically.

- **Five diameters:** one collet each for 2.4, 3, 3.2, 4 and 5 mm.
- **For milling cutters:** secure, concentric mounting.
- **Storage:** in a wooden box with sliding lid.

TECHNICAL DATA

- 5 pieces
- Collets 2.4, 3, 3.2, 4 and 5 mm

Suitable for: Proxxon PF 230 and FF 230.

Scope of delivery: 5 collets in a wooden box with sliding lid.
