

MICRO-Kompaktratsche 1/4", 72 Zähne, schlanker Kopf - Proxxon 23160

Item no. PX-23160

Manufacturer Proxxon

EAN 4006274231603

The MICRO compact ratchet 1/4" has a slim head of just 23 x 12 mm and a length of 185 mm for the tightest spots. Its 72-tooth drive gives a small return angle and transfers high torque. A reversing lever and push-button socket release make it easy to use under the dashboard or in the engine bay.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
Weight	0.107 kg

DESCRIPTION

The Proxxon MICRO compact ratchet 1/4" is the slim answer to tricky work in cramped spaces. With a head measuring only 23 x 12 mm it reaches fasteners that standard ratchets cannot.

- Fine 72-tooth drive for a small return angle and high torque transfer
- Reversing lever for clockwise and anticlockwise rotation
- Push-button release for the sockets
- Forged from CrV steel, double nickel-plated and matt chrome-plated
- Grip of oil- and acid-resistant TPR with hanging hole

TECHNICAL DATA

- Drive: 1/4" (6.3 mm)
- Teeth: 72
- Head size: 23 x 12 mm
- Length: 185 mm
- Material: forged CrV steel
- Suitable for full professional use

For working under the instrument panel, on the air-conditioning, seat mechanism, interior trim and in the engine compartment.
