

T-Griff mit Gleitstück 1/4", 100 mm - Proxxon 23704

Item no. PX-23704

Manufacturer Proxxon

EAN 4006274237049

The 1/4" sliding T-bar works as a straight handle or as a T-bar for more torque. At 100 mm it brings sockets onto fasteners quickly. Part of the Proxxon 1/4" socket system.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
Weight	0.045 kg

DESCRIPTION

The Proxxon 1/4" sliding T-bar combines fast spinning with powerful tightening. The sliding cross-piece can be centred or set to one side as needed.

- Sliding cross-piece for straight run-down or T-bar leverage for more torque
- Takes all 1/4" sockets directly
- Sturdy build matched to the Proxxon 1/4" system

TECHNICAL DATA

- Drive: 1/4" (6.3 mm)
- Length: 100 mm

For quickly running down and starting fasteners with 1/4" sockets.
