

1/4" Deep Socket 10 mm 50 mm long - Proxxon 23778

Item no. PX-23778

Manufacturer Proxxon

EAN 4006274237780

Deep socket with 10 mm width across flats and 1/4" female square drive. At 50 mm long it reaches nuts on long protruding threaded bolts. Made from tough chrome-vanadium steel.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
Weight	0.042 kg

DESCRIPTION

Deep socket with 10 mm width across flats. The 50 mm total length lets it fit over nuts on long protruding threaded bolts, such as stud bolts.

- **Deep design (50 mm)** for long protruding threaded bolts
- **Six-point profile** for a secure fit on bolts and nuts
- **CrV steel** for high load capacity and long service life

TECHNICAL DATA

- Drive: 1/4" (6.3 mm) female square
- Width across flats: 10 mm
- Profile: six-point
- Material: chrome-vanadium steel (CrV)
- Total length: 50 mm

Part of the complete Proxxon 1/4" socket system and combines with extensions, a universal joint or a T-bar.
