

1/2" Verlängerung 64 mm - Proxxon 23452

Item no. PX-23452

Manufacturer Proxxon

EAN 4006274234529

1/2" extension bar, 64 mm long, for better access to recessed or hidden fastenings. Made of tough CrV steel and fitting all Proxxon 1/2" ratchets and sockets.

TECHNICAL DATA

Ausführungsklasse **TEC**

Country of Manufacture **Germany**

Weight **0.115 kg**

DESCRIPTION

This Proxxon 1/2" extension bridges 64 mm and creates the necessary distance between ratchet and socket, for example at recessed bolts or built-in assemblies.

- **Length 64 mm** for safe access to hard-to-reach points.
- **Made of CrV steel** for high load capacity.
- 1/2" square, fitting all Proxxon 1/2" ratchets and sockets.

TECHNICAL DATA

- Drive: 1/2" (12.5 mm)
