DESCRIPTION

Sturdy foldable box in the 60 x 40 cm footprint that collapses flat in a few steps and saves up to 82 percent of the footprint when empty.

- Saves up to 82 percent of floor space when collapsed
- Folded up and down in a few steps without tools
- Stackable when erected for stable towers
- Optional two part hinged lid gives the contents extra protection
- Hygienically flawless plastic that is easy to clean

Used in food retailing, distribution and returnable shipping where empties are returned in minimal space.

Made of food safe polypropylene (PP), manufactured in Germany.
