

1/2" Vielzahn- Steckschlüsseinsatz 12-kant, 21 mm - Proxxon 23314

Item no. PX-23314

Manufacturer Proxxon

EAN 4006274233140

Socket with 12-point spline profile and 1/2" drive in 21 mm size. The 12-point profile grips hex and bi-hex screws on the corner edges and protects the screw heads. Made of CrV steel.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
Weight	0.078 kg

DESCRIPTION

The 12-point socket in 21 mm size fits 1/2" ratchets and grips screws via the spline profile. This protects the screw edges and allows the socket to be applied in several angular positions.

- 12-point spline profile for gentle gripping of screw heads
- 1/2" square drive for common ratchets and extensions
- Made of CrV steel

TECHNICAL DATA

- Drive: 1/2"
- Profile: 12-point spline
- Width across flats: 21 mm
- Material: CrV steel

Suitable for assembly and repair work on vehicle and machine with a 1/2" ratchet.
