DESCRIPTION

Slim yet strong: this single SlimLine open-end spanner in sizes 6 x 7 mm fits tight spots with its polished, thin-walled heads while still exceeding DIN/ISO torque requirements.

- **To DIN 3110 and ISO 3318**, carefully hardened and tempered
- **High-grade finish** double nickel-plated, single chrome-plated, smooth and skin-friendly
- **Durable laser-marked sizes**, large and clearly readable
- Tighter tolerances than DIN/ISO, each piece calibrated and checked
