

FLEX-DOT Screwdriver Set Slotted and PHILLIPS, 6-piece - Proxxon 22604

Item no. PX-22604

Manufacturer Proxxon

EAN 4006274226043

Six-piece initial equipment for mechanics and service technicians with slotted and PHILLIPS blades. The rounded two-component FLEX-DOT handle stays secure in the hand even during quick regripping. Blades of chrome-silicon-manganese-molybdenum special steel with a machined black tip.

TECHNICAL DATA

Ausführungsklasse	TEC
Country of Manufacture	Germany
Weight	0.503 kg

DESCRIPTION

The FLEX-DOT screwdriver set covers the common screw sizes for assembly and service work with six slotted and PHILLIPS blades and serves as complete initial equipment.

- **FLEX-DOT handle:** rounded two-component shape with flexible nubs for fatigue-free work and a secure grip during fast regripping.
- **High torque:** balanced design transfers pressure cleanly in horizontal and vertical approach.
- **Machined black tip:** for precise screw pick-up and less slipping.
- **Oil- and acid-resistant special rubber handle** that does not stick, with finger recesses for more grip.

TECHNICAL DATA

- Slotted: 3.0 - 4.0 - 5.5 - 6.5 mm
- PHILLIPS: PH 1 - PH 2
- Blades of chrome-silicon-manganese-molybdenum special steel, matte chrome plated
