DESCRIPTION

When working on the move - at solar installations, switchgear or construction sites - electricians need quick access to different profiles without fumbling through loose bits. The Wiha LiftUp electric solves this with a handle-integrated magazine holding 6 slimBits: press the button, the depot extends, the bit is removed and locked into the insulated metal ClicFix bit holder.

BENEFITS

- 6-slimBit magazine integrated into the handle - saves 75% of space compared to separate storage
- Press-button extension: easy removal of 75 mm slimBits in the field
- Insulated metal ClicFix bit holder reliably locks all slimBits in place
- slimBits with blades up to 33% slimmer: low-lying screws and spring clamps reachable
- Twistable cap for comfortable handling
- Both components - magazine bit holder and slimBits - certified to IEC 60900, up to 1,000 V AC
- Compatible with the Wiha ElectricVario Family
